3-member technical team inspects Chamundi Hill, Palace

To submit report on Dasara crowd to CM this evening; Final decision tomorrow

Mysuru, Oct. 9 (RK&SSV)- A three-member technical team headed by Dr. Sudarshan, Chairman, COVID-19 State Technical Advisory Committee, visited the city this morning and held consultations with officials of various Departments in connection with Dasara-2020.

First, the technical team visited Chamundi Hill where Dasara festival will be formally inaugurated on Oct. 17 and inspected the space meant for putting dais, shamiana and parking lot. Then, the Committee members visited the Palace, the venue of cultural programmes and also starting point of *Jumboo Savari* procession. This time, the procession will be taken within the Palace premises in view of the pandemic.

The team also interacted with the officials concerned and took their opinion on the scale of *Nada Habba* in view of spurt in Corona positive cases in the district.

The Panel will record its findings in a form of report and then submit it to Chief Minister B.S. Yediyurappa this evening for necessary action.

Meanwhile, Medical Education Minister Dr. K. Sudhakar and District Minister S.T. Somashekar will hold a crucial meeting tomorrow where a final decision on the number of people to be allowed inside the Palace and other things will be taken.

The technical team has been sent by the State Government to visit Mysuru to take stock of prevailing situation and then to recommend on holding celebrations in Palace.

(See TEAM on page 6)

Pourakarmikas on rotational stir

Mysuru, Oct. 9 (MTY&DM)- Alleging that the Mysuru City Corporation (MCC) Council meeting held yesterday did not take any concrete decision on direct credit of wages which they have been demanding for long, MCC Contract Pourakarmikas under the banner of MCC Permanent and Contract Pourakarmika Maha Sangha, continued their rotational stir for the second day today in front of the MCC Main Office on Sayyaji Rao Road.

Speaking to *Star of Mysore*, the Sangha office-bearer Palaniswamy said that over 700 contract Pourakarmikas are working for the MCC without the benefit of direct wage credit system and we are demanding introduction of the same.

Exhibition of Collage Artworks

Prof. Srinivasa Kumar

Mysuru, Oct. 9- An exhibition of Collage Artworks of late Prof. S. Srinivasa Kumar, an educationist and a collage artist, is arranged by city-based Mysore Art Gallery on Oct. 11 at its premises on 12th Cross, Ramanuja Road here.

Prof. Vijaya Rao, Head, Art - History Department of Chamarajendra Academy of Visual Arts (CAVA), Mysuru, will inaugurate the exhibition at 10.30 am.

On the occasion, an album of Collage Arts and Colour Paintings 'Kolavachi' of late Prof. Srinivasa Kumar will be released by the chief guest, retired Police Officer J.B. Rangaswamy.

Gallery President - Sculptor L. Shivalingappa will preside. Karnataka Muktaka Sahitya Academy-Mysuru President S. Ramaprasad will be present on the occasion.

The exhibition will be kept open for public from Oct. 11 to 13 from 10.30 am to 1 pm and 4.30 pm to 7.30 pm. Those visiting the expo must wear face mask and maintain social distance at the venue, according to a press release from Gallery Secretary Dr. Jamuna Rani V. Mirle.

EDITOR'S BOTTOMLINE

Ancient seers have expressed spiritual experience in verse and in forms and deities that represent the profound secrets of life. One such embodiment of valour, beauty, and intelligence is Karthikeya, also known as Murugan. The word Murugan is formed from the divine trinity. He is present in us and around us in both form and formless aspects. I am also made of the same energy and so are you. All living beings are manifestations of this energy and are also sustained in it. Life has three energies: Iccha Shakti, Jnana Shakti and Kriya Shakti. Valli, consort of Murugan, represents Iccha Shakti, desire; Devasena, also consort of Murugan, is a symbol of Kriya Shakti, that is, action, effort; and Murugan is Jnana Shakti, knowledge. Iccha Shakti forms the very basis of our existence. We need to develop the right attitude towards desires and understand its nature. When a person says, "I don't want anything in this world," that is also a desire. When desires arise, observe them. What happens to your mind when the desire is fulfilled? What is the state of your mind when the desire arises? Were you happy, in anger or in haste? This will indicate whether or not to act upon them. This observation is possible when the mind is without craving or aversion.

When you have the right desire and knowledge, it has to be followed by action. This is represented by Devasena, Kriya Shakti. The sign of life is activity. There are no actions in a corpse. However, actions need to be properly channelised. Often a leader is chosen to channelise the collective energy of society towards particular actions. Here, it is important to choose the right leader. Murugan is a unique leader. He is both king and recluse. Only when you act from the space of helping the other without wanting anything for yourself, you can be a good leader. Actions in the collective consciousness that are done with respect and prayerfulness for the benefit of all, are represented by Devasena. When both our desires and our actions are directed towards the divine, life becomes a celebration.

— Sri Sri Ravi Shankar in The Times of India

NEWS SPARKLERS

Girl with the world's longest legs

Texas: A US teenager who has the world record for the longest female legs is encouraging people with unique physical attributes to "embrace" them.

The record holder, Maci Currin from Texas, has a right leg that is 134.3cm (4.40 ft.) long and a left leg that is 135.3cm (4.43 ft.) long and she is 6.10 ft. tall.

The 17-year-old said her message to people with unusual physical attributes is "don't hide it - embrace it" and she hopes her record title will inspire other tall women.

But, despite her long legs, she is a long way from being the tallest woman, a record held by Sun Fang from China, who stands 7.3 ft. tall.

Man's pet geese goes to pub wearing special nappies

London: A man who adopted two pet geese during lockdown has started taking them to his local pub wearing nappies. Sven Kirby, 34, is regularly spotted walking the birds, named Norbert and Beep Beep, around the streets of Leeds and the odd trio have now branched out into socialising in their local.

Sven said the pair haven't had any behavioural problems and have generally been easy to keep, as they don't require much exercise and have a diet 80% made up of grass. However, they can't be potty trained so he does have to put them in specially made goose nappies shipped in from America when they're inside the house.

"When we went to the pub Norbert and Beep Beep just stood by my side as I drunk a pint, it was good fun and everyone there loved it," he said.

HEALTH CAPSULE by Bron Smith

What happens if a chemotherapy drug comes in contact with skin?

Chemo drugs may cause serious burns if they make contact with a health care provider or patient's skin. Nurses are required to wear protective gloves when administering chemo drugs. Yet this same toxic chemical is pumped into a cancer patient's body.

** Health Capsules is not intended to be of a diagnostic nature.*

Really...?

- *Mercury zips around the sun faster than any other planet. It travels about 112,000 mph (180,000 km/h) along its elliptical orbit. The planet gets as close as 29 million miles (47 million km) to the sun, and as distant as 43 million miles (70 million km) from the sun. The planet takes only 88 Earth days to completely orbit the sun.*

VOICE OF THE READER

Shastriji forgotten

Sir,

Apropos ***"City remembers Mahatma"*** *(SOM* dated Oct. 2), it is really sad to note that the city has completely forgotten late Lal Bahadur Shastri, the finest Prime Minister India has ever had, whose birth anniversary also falls on 2nd October !

While extensive news coverage is given to various events to mark Gandhiji's birth anniversary, there is no mention at all about any event held to mark Shastriji's birth anniversary ! Why this step-motherly treatment ?

Shastriji also deserves to be remembered and treated in the same manner as Gandhiji, for his selfless and dedicated service to our nation.

Aero India Show in Bengaluru from Feb. 3 to 7 next year

Bengaluru, Oct. 9 (SSV)- Karnataka will host the 13th edition of Aero India Show in Bengaluru from Feb. 3 to 7, 2021 amid all necessary precautions due to COVID-19, said Chief Minister B.S. Yediyurappa. He was briefing about the State's preparations for the Show at the Ambassadors' Round Table Virtual Summit that Defence Minister Rajnath Singh chaired on Wednesday. The CM said it was challenging for the State Government and Union Defence Ministry to hold this important event in the midst of pandemic.

Soon after launching 2021 website, interested have already booked the stalls well in advance. The Government is formulating Standard Operating Procedure (SOP) to ensure the safety of international delegates, participants and citizens.

Guidelines issued by Union Health Ministry will be strictly followed. Thermal screening, sanitisation at regular intervals and social distancing will be strictly adhered. The State's share in Aviation and Space was around 25 percent. Besides, Karnataka was contributing 65 percent to Aviation-related exports and 67 percent in Defence services, helicopters and airplanes.

Karnataka has been the first State in the country to formulate Aerospace Policy. A private Aerospace Economic Zone has been set up in Belagavi. Apart from this, 1,000 acre has been earmarked adjacent to Kempegowda International Airport for Aerospace Park, Maintenance and Repairs and Defence products cluster in Tumakuru.

Union Minister of State for Defence Sripad Nayak, Ambassadors of various countries, Chief Secretary T.M. Vijay Bhaskar and other officials were present.

Free eye screening on Sundays

Mysuru, Oct. 9- Annapoorna Eye Hospital's Hootagalli and Hebbal Branch has arranged free eye and vision screening for cataract identification and free BP and random sugar test for all on every Sunday. The first 25 registered members having cataract can avail free pre-surgery tests and also the lens will be provided at an affordable cost. The surgery will be done on Oct. 11, 18 and 25 (Sundays) under COVID safety measures [10 am to 7 pm]. Those interested may call Mob: 88844-88262 or Ph: 0821-4262255, according to a press release.

Step up RT-PCR test for early detection of COVID-19 virus in 10 hotspot districts: CM

Bring down Corona positive cases, casualties

District Minister S.T. Somashekar, Deputy Commissioner Rohini Sindhuri, City Police Commissioner Dr. Chandragupta, Superintendent of Police C.B. Ryshyanth, MCC Commissioner Gurudatta Hegde, Zilla Panchayat CEO D. Bharathi, District Health Officer Dr. R. Venkatesh and other officials participating in the video-conference with CM B.S. Yediyurappa yesterday.

Bengaluru, Oct. 9 (KMS&SSV)- Expressing concern over spike in COVID-19 positive cases in 10 districts in the State, Chief Minister B.S. Yediyurappa has asked the district administration concerned to target primary and secondary contacts of COVID-19 patients and subject them to compulsory testing in order to check the spreading of pandemic.

"The prevailing situation is likely to continue till March, 2021. So far, there is no medicine to kill Coronavirus. A vaccine is expected only during the early next year. Till then they need to live with it by taking all precautions," he said.

Participating in a video conference with Deputy Commissioners, Zilla Panchayat Chief Executive Officers, Superintendents of Police, Commissioners of Police and District Health Officers of Mysuru, Hassan, Tumakuru, Ballari, Dakshina Kannada, Shivamogga, Dharwad, Belagavi, Udupi and Uttara Kannada here yesterday, he wanted the district administration to take all precaution not only to bring down Corona positive cases but also to reduce the casualties. They must make people to understand the importance of wearing face mask, regularly sanitising hands and maintaining social distancing. Imposing fine on people for not wearing face mask is part of creating awareness among them and not to harass them, the CM added.

The CM stressed on taking suitable steps to check the growth of pandemic by creating awareness among people. Any requirement in any district should be brought to his notice as the State Government is fully committed to provide all facilities. Impetus should be given to conduct RT-PCR than Rapid Antigen Test for near perfect result. " Ramp up RT-PCR testing wherever necessary for the early detection of virus to start the treatment immediately. All COVID-19 Standard Operating Procedures must be followed to bring down the mortality rate. Health Department must be in touch with home quarantine patients and to follow up their health condition daily," he said.

The CM sought to know reasons for the death of Corona positive patients within 72 hours after admission in hospitals and wanted it to be audited. He said it was a matter of concern that nearly 50 per cent of deaths have occurred within three days and wanted more testing to detect virus at an early stage. A special team will visit Dharwad district to find out reasons for sudden increase in deaths and submit a report to the Government for necessary action. All care should be taken to prevent spreading of virus to rural areas and follow clinical protocol strictly. Shivamogga district can be a model for other districts due to decline in Corona positive cases from 20 per cent to 6 per cent.

The DCs of all 10 districts gave details of steps taken in their respective districts.

Medical Education Minister Dr.K. Sudhakar, Muzrai and Fisheries Minister Kota Srinivas Pujari, Revenue Minister R. Ashok, Home Minister Basavaraj Bommai, Chief Secretary T.M. Vijay Bhaskar, CM's Additional Chief Secretary Dr.E.V. Ramana Reddy and senior officials from Health Department participated in the meeting.

Sait appeals Health Minister to sanction 50 oxygenated beds at Beedi Workers' Hospital

Mysuru, Oct. 9 (PM&SSV)- Narasimharaja (NR) MLA Tanveer Sait has asked Health Minister B. Sriramulu to give administrative approval to establish 50 oxygenated beds at Central Beedi Workers' Hospital at Kalyangiri here.

Tanveer Sait

In a letter to the Minister, Sait said that preparations are underway to have Corona Care Centre at Beedi Workers' Hospital, the third Centre in N.R. Constituency.

Since oxygen is vital for Corona positive patients, the State Government must set up oxygenated beds for the sake of poor patients, he said and added that since there is no sophisticated Government Hospital in N.R. Constituency, daily wagers, beedi workers, street vendors and economically backward citizens were not financially sound to avail treatment in private hospitals.

In view of this, there is a need to develop the Beedi Workers' Hospital. Already, the Executive Engineer, Health Department, has prepared an estimate for installing Medical Gas Pipeline System and sent it to the Commissioner's Office with a letter of recommendation from the District Health Officer.

The Health Minister should give instruction to approve it and direct the authorities concerned to take up this work from the Disaster Management Fund.

The MLA said, since Government of India has already issued guidelines for re-opening of schools, the existing COVID Care Centres at Farooqia College in Udayagiri and Andalus Public School at Rajivnagar should be closed and the Centres may be opened at Beedi Workers' Hospital.

The Central Employees State Insurance Department has already given its consent for taking over of the hospital by the State Health Department, he added.

Union Minister Paswan passes away

New Delhi, Oct. 9 (Agencies)- Union Minister for Consumer Affairs, Food and Public Distribution Ram Vilas Paswan died at a hospital here on Thursday night following brief illness.

Ram Vilas Paswan

Cremation is expected to take place in Patna tomorrow.

He was 74 years and is survived by wife and three children. The Minister had undergone heart surgery last week and undergoing treatment.

Founder of Lok Janshakthi Party (LJP), Paswan had held a Guinness record by winning to Lok Sabha by highest margin. Paswan was in politics for last 50 years and had been elected to Lok Sabha for nine times from Hajipur Lok Sabha constituency in Bihar.

Born on July 5, 1946, Paswan had worked as a Minister under Prime Ministers V.P. Singh, H.D. Deve Gowda, I.K. Gujral, Atal Behari Vajpayee, Dr. Manmohan Singh and Narendra Modi.

A host of political leaders led by Prime Minister Narendra Modi have condoled the death of Paswan. President Ram Nath Kovind also paid his last respects to the departed leader.

As Railway Minister in H.D. Deve Gowda Cabinet, Paswan had sanctioned Chamarajanagar-Mettupallyam railway route.

"Shri Ram Vilas Paswan Ji rose in politics through hardwork and determination. As a young leader, he resisted tyranny and the assault on our Democracy during the Emergency. He was an outstanding Parliamentarian and Minister, making lasting contributions in several policy areas. I am saddened beyond words. There is a void in our nation that will perhaps never be filled. Shri Ram Vilas Paswan Ji's demise is a personal loss. I have lost a friend, valued colleague and someone who was extremely passionate to ensure every poor person leads a life of dignity", PM Modi tweeted.

MCC Commissioner assures of releasing Rs.10 crore to clear contractor bills

Mysuru, Oct.9 (PM&DM)- With civil contractors stopping works demanding clearance of their pending bills to the tune of Rs.130 crore, MCC Commissioner Gurudatta Hegde assured that measures will be taken for releasing Rs. 8 crore to Rs. 10 crore soon towards pending bills.

Speaking at the continued MCC Council meeting at Nalwadi Krishnaraja Wadiyar Hall of MCC here yesterday, Hegde said that the MCC is facing a cash crunch and as such all the bills cannot be cleared at once. However, the pending bills will be cleared in phases and as a first step in this regard, measures will be taken for releasing Rs.10 crore.

Mayor Tasneem flanked by Deputy Mayor C. Sridhar and MCC Commissioner Gurudatta Hegde at the MCC Council meeting yesterday.

Pointing out that a drive has been launched in several wards of the MCC for property tax collection, he said that the civic body is also expecting a good revenue from grant of permission for underground cable laying work, which has been sought from a private telecom company.

Face recognition system for Pourakarmikas' attendance

Referring to Pourakarmika issues, the Commissioner said barring MCC, all other City Corporations have suspended Pourakarmika contract system. Pointing out that there is a proposal on introducing smart phone-based face recognition system for attendance of Pourakarmikas, he said that the system can be introduced in three months if the Council approves it.

Noting that there are 560 permanent Pourakarmikas, 829 direct payment Pourakarmikas and 724 contract Pourakarmikas in the civic body, Hegde said that Council approval was necessary for bringing the 724 contract Pourakarmikas under the direct wages system.

Health Officer Dr. Jayanth said that the MCC will have to spend Rs.19.92 crore a year for bringing the contract Pourakarmikas under the direct payment system and also the MCC has to make alternative transport arrangements for them.

Rs.5 lakh compensation for deceased Pourakarmika

The MCC Council also approved payment of Rs. 5 lakh as compensation to the family of Pourakarmika B.Suresh, who died of cardiac arrest while on duty on Jan.10, 2020. Dr.Jayanth said that the General Council meeting held on Feb.27 too had approved payment of compensation.

Civic body collects Rs.101 crore tax in five months

Stating that the MCC has so far collected Rs.101 crore property tax and other taxes this year in the five month period from Apr.1 to Sept.1, Gurudatta Hegde said that the MCC has set tax collection target of Rs.271 crore this fiscal year.

Replying to a question by BJP member B.V. Manjunath on the reasons for bills pending in respect of the works carried out the Government's 24.10 and 7.25 percent grant, the Commissioner said that the Government is yet to release funds under these accounts due to COVID-19 crisis.

Hegde further said that the Government is yet to release Rs.5 crore for Dasara works taken up in 2018.

Mayor Tasneem appealed all the Corporators to extend their full co-operation for the MCC's property tax collection drive, aimed at collecting tax from defaulting property owners from near their doorstep.

The Corporators promised full support for the drive. BJP member Shivakumar wanted the civic body to set a specific target for all Zonal Offices as this action will help in collecting most of pending tax dues.

Deputy Mayor C. Sridhar, MCC Additional Commissioner N.M. Shashikumar, Opposition Leader M.U. Subbaiah and other Corporators and officials were present.

Ballahalli farmers oppose Layout formation by MUDA

Mysuru,Oct.9 (RKB&DM)- Strongly opposing MUDA's plans for forming a Layout at Ballahalli, farmers of the village staged a demonstration in front of MUDA Office on JLB Road here yesterday.

Raising slogans against MUDA, the farmers tried to burn an effigy of MUDA Chairman H.V. Rajeev, but were prevented by the Police, who seized the effigy. Angered by the Police action, the farmers entered into heated arguments with the Police, accusing them of trying to prevent the protest.

Addressing the protestors, farmer leader Guruprasad said that the farmers of Ballahalli are unwilling to part with their land for formation of the Layout.

Accusing MUDA of rendering injustice to farmers, the protestors urged MUDA to pay appropriate compensation to farmers who have already parted with their land. They also wanted the MUDA Chairman to address the plight of farmers before making statements that MUDA is farmer-friendly.

Cautioning MUDA against continuing its move for formation of the Ballahalli Layout, the farmers warned of holding black flag demonstrations in front of the houses of MLAs and staging dharna in front of the house of MUDA Chairman. Farmer leaders Ninganna, Ravigowda, Basavaraju, Bannegowda, Somayaji, Satish Gowda and others took part in the protest.

Over a cup of evening Tea

By Dr. K. Javeed Nayeem, MD

Do we need such a 'festive' Dasara ?

Dasara has arrived this year too like it has been doing over the centuries. **Yes, it is our much-loved annual guest and it is also our State festival because it has long ago transcended much of its original religious identity and has now become an essential part of our cultural scene by which our State is identified world-wide.** And, the Dasara that we Mysureans have been celebrating here in our city every year has been a special, spectacular show, unique to ***Namma Mysuru.*** It is a different matter that over the past four decades or so, after the fading away of our royalty, it has certainly lost much of its colour and charm thus having been reduced to just a grey shadow of what it once was.

With the entry of a different class of Super-Royals into the arena, comprising our leaders and their cronies, this event has now been reduced to a show of their power and pelf which also yields rich dividends to all those who toe their line without asking any inconvenient questions. But still, this year I would like to ask some very pertinent if not just inconvenient questions on behalf of all citizens who are concerned about safeguarding their own health and the health of everyone around us.

Yes, I'm afraid that this article is going to be full of questions with very few answers! But I wish some other souls too echo my sentiments if answers have to be forthcoming from our authorities. The way our State Government is trying to celebrate its supposedly low key Dasara is nothing but a sham; a classic case of Government doublespeak! It is a sad and sorry state of affairs at a time when the COVID-19 problem is extracting a very painful pound of flesh from our society. **Otherwise, how do you explain all the restrictions it has placed on how many people can come to a wedding or even a funeral in your family and yet lighting up our entire city, an action which will naturally attract people from all the neighbouring towns and villages.**

Our Government may say that it is only to cheer people's spirits at a grim time when they are sad and depressed with their long

incarceration in their homes. But how will the Government prevent people from zeroing in on the city with their families by every mode of conveyance, starting from two-wheelers, autorickshaws, cars, trucks, tempos and even tractors just for a little while to take a quick look which is a very natural human tendency?

And, having come to take a quick look can they just go away without stopping at the wayside eateries to have a quick bite, which is again a natural human tendency? And knowing that people are going to flock to our city, can our street food vendors stay away from the streets without plying their trade?

After all, they have been without any business for months now. **It is exactly like smearing honey on our streets and expecting the honey bees to stay away from it.**

The Government may say that it will strictly regulate footfalls during this Dasara. But then how do you explain the statement from the Managing Director of the KSRTC that at the Government's behest, special buses have been kept in readiness to ferry people from far and wide to Mysuru, the hub of our Dasara? He has stated that with this state of readiness his team needs just 78 hours of notice to swing into action; a statement that would have made me proud if it had come from one of our military generals !

Why has our Government asked the Centre to accord permission to allow 2,000 people into the Palace premises for the *Jumboo Savari* and a staggering 1,500 people into the Palace itself, on all nine days of the Dasara, to witness the cultural programmes that it plans to conduct there? These are not just my assumptions. They are all facts and figures that the Government itself has released in black and white through the media.

Could we not have restricted this year's Dasara to just the essential rituals at Sri Chamundeshwari Temple atop the Chamundi Hill and the private ceremony at the Palace? And, just take a peek at the still enormous budget released for our so-called toned down Dasara.

Do we need to spill this kind of money on our streets when people are dying on the same streets for want of Hospital beds and COVID care all over our country? Just think of what we could have accomplished in our raging battle with COVID-19 with the same crores of rupees that are now just going to go down the drain. Think of how many Hospital beds with oxygen support we could have established and how much staff we could have recruited by paying attractive salaries at a time when our helpless people are groping in the dark for the proverbial ray of hope.

Our Governments have all been blaming private health care providers across the country for not keeping aside the stipulated percentage of their beds for treating COVID-19 patients. They have even been tarring them mercilessly in the media as exploiters who are making money while the pandemic is raging. The morale of private health care providers across the country is so low now with all these accusations and indictments that they are actually willing to hand over their establishments to be run entirely by the Government if it thinks capable of doing it.

But I do not think it can because apart from the frantic COVID testing that it is doing and the dismally low end medical facilities it is providing in Government Hospitals that are almost doing no good to our COVID-19, there's absolutely nothing it can show. And, if I am wrong, is the Government ready to release a white paper showing the total number of beds in its Hospitals and the percentage of them that are equipped with high flow oxygen and ventilators? I'm sure it will not.

If you disagree with me just ask the man on the street where he prefers to go for treatment if struck by the virus. He may be a humble villager but he is the best judge and his answer is bound to be loud and clear though not surprising. But does the Government have the courage to stand and listen to it?

Technical team atop Hill

(Continued from page 1)

More importantly, the Panel will suggest whether it was safe to allow 2,500 persons inside the Palace to witness *Jumboo Savari* procession on Oct. 26, and around 1,500 persons in Palace premises to watch cultural events for nine days from Oct. 17.

Earlier when the team members arrived at the DC's Office, Assistant Commissioner N.S. Venkataraju received them. Later, they were briefed by Deputy Commissioner Rohini Sindhuri on the current COVID-19 situation in city and district. The AC accompanied the team to Chamundi Hill and the Palace which inspected arrangements for *Nada Habba.*

Dr. Sudarshan told reporters that they had come to see the prevailing situation in the city and district in view of Dasara festival which will begin next week. They had a brief meeting with the DC on arrangements made to treat COVID-19 patients. "We are submitting our report to the Government by evening," he said.

When the team visited Palace, T.S. Subramanya, Deputy Director, Mysore Palace Board, received Dr. Sudarshan, Chairman, COVID-19 State Technical Advisory Committee, Dr. Lokesh Alahari, Member and Dr. Mohammed Sharif, Member-Secretary, and showed them the places where cultural programmes are scheduled to be held and the chairs will be put for the audience to witness *Jumboo Savari.* The team was also briefed about the arrangements made by the Board inside the Palace on Vijayadashami Day.

Biggest challenge

It may be mentioned here that holding Dasara festival in Mysuru has become a biggest challenge for the State Government in view of spike in Corona positive cases in the last two months. Mysuru stands second in Karnataka after Bengaluru in recording the maximum number of Corona positive cases and deaths. It is learnt that Chief Minister B.S. Yediyurappa has tentatively agreed to allow 250 persons atop the Hill for Dasara inauguration.

Recently, Dr. Sudhakar held a review meeting in city and this was followed by another meeting by Minister Somashekar. On Thursday, the CM held a video-conference with DCs of ten districts, including Mysuru, which have been categorised as 'Corona hotspot.'

Virtual Fair for US University's UG programme begins

Mysuru, Oct. 9- The Virtual US University Fair to help Under Graduate (UG) students and parents to gather valuable and credible information about academic programmes, campus life, financial aid options, application procedures and related information at US Universities will be held online today and tomorrow from 5.30 pm to 10.30 pm. For list of participating Universities and registration, log on to bit.ly/UGEdUSAFair20-WA or e-mail to *edusa@yashnatrust.org*

Pourakarmika stir

(Continued from page 1)

Maintaining that the direct credit system will help the Government save crores of rupees annually and also helps in maintaining transparency in wage payment, he said it is unfortunate that the MCC Council had failed to approve it.

Continuing, he said that as part of intensifying the stir, a meeting of Pourakarmika leaders of all other local bodies at the taluk-level in the district has been convened this evening, during which the future course of action will be decided. The meeting is also likely to pass a resolution on striking work completely during Dasara in entire Mysuru district to press for fulfilment of their demand, Palaniswamy pointed out and added that a clear picture on the next course of action will emerge after the meeting.

DC directs Pvt. Hospitals to reserve
50 percent beds for COVID patients

Rohini Sindhuri

Mysuru, Oct. 9 (SSV)- Deputy Commissioner Rohini Sindhuri has ordered all Private Hospitals to reserve 50 percent of beds for Corona positive patients on behalf of State Government.

In a press release here, she has said any Private Hospital which refuses to adhere with the rules will be booked under Sec. 56 of the Disaster Management Act-2005 and other Acts. The Private Hospitals must extend co-operation with District Administration to check the growth of COVID-19 cases in the wake of spurt in cases resulting in the shortage of beds. The Hospitals must treat Corona positive patients (referred by Government) free of cost and also deploy required number of staff.

She said COVID-19 testing was unsatisfactory throughout September in the entire district with only 45 percent testing. In fact, testing was critical to identify COVID-19 patients early and give them medical treatment. This will also prevent spread of pandemic. Now, testing has been ramped up and achieving 100 percent target daily. On Oct. 7, the testing was 124 percent, she said.

The DC said that special testing teams and officers have been formed for the city and also for rest of the district. Mysuru City has been divided into four Zones for pandemic management and senior officials in teams have been deployed, she said and urged all citizens to wear masks, maintain social distance and maintain hand hygiene.

Hold virtual programmes of Dasara: CM

Bengaluru, Oct. 9 (KMS& SSV)- Understanding severity of COVID-19 situation in Mysuru City and District, Chief Minister B.S. Yediyurappa has strongly advocated for holding virtual events of Dasara in order to check spreading of the pandemic.

Participating in a video conference with DCs, Zilla Panchayat CEOs and Health Department officials of 10 major Corona hotspots here yesterday, he said the State Government has decided to hold this year's Dasara in a simple manner and it was better to hold all Dasara connected programmes virtually in the interest of every one. In view of spike in Corona positive cases in the district, a report should be sent to him within a week, he said and added that all precaution should be taken immediately.

Mysuru District Minister S.T. Somashekar said that all preparations have been made to celebrate this year's Dasara in a simple and safe manner. Necessary changes will be made in arrangements based on the reports of technical committee. Testing has been increased to check the pandemic and all primary contacts of COVID-19 patients were being identified and tested.

Deputy Commissioner Rohini Sindhuri, City Police Commissioner Dr. Chandragupta, District Superintendent of Police C.B. Ryshyanth, ZP Chief Executive Officer D. Bharathi and MCC Commissioner Gurudatta Hegde and others were present.

Protest for release of pending wages

Mysuru, Oct. 9 (RKB&SD)- Members of Karnataka State Higher Education Colleges Employees Union, under the banner of All India United Trade Union Centre (AIUTUC), staged protest opposite the Office of Joint Director of Higher Education Department, Hunsur road here this morning and urged the State Government to release pending wages for all college employees in the district.

Alleging that College Principals are falsely claiming that they are providing minimum wages for their employees, protesting members demanded the State administration to intervene and stop this unfair labour practice and provide statutory minimum wages pending salary for all employees working in colleges including that of lockdown period.

AIUTUC State Convenor Chandrashekhar Meti, District Joint Secretary Muddukrishna, Puttaraju, Meenakshi, Indira, Rekha and others were present.

Obituary

Indramma Basavaraju

Mysuru, Oct. 9 - Indramma Basavaraju (74), a resident of Mandi Mohalla, passed away yesterday night in city.

She leaves behind one son, two daughters and a host of relatives and friends.

Last rites were performed at Jodi Tenginamara Burial Grounds at Bannimantap this afternoon, according to family sources.

Corona awareness through illumination

CESC team inspecting illumination works in progress near Palace North Gate (Kote Anjaneyaswamy Temple) last evening. *[Pics. by M.N. Lakshminarayana Yadav]*

Mysuru, Oct. 9 (SBD&SSV)-Responding to Prime Minister Narendra Modi's call to create public awareness on COVID-19, the authorities of Chamundeshwari Electricity Supply Corporation (CESC) have come out with 'Corona awareness illumination' at Palace North Gate entrance in city as part of Dasara festivities.

Various images of COVID-19 campaign such as wearing of face mask, regular hand hygiene, social distancing plus the images of Coronavirus have been created out of LED serial set. This has been put up on an experimental basis and later it will be replicated near the Bus Stand, Railway Station and other public places.

CESC officials led by Shyamala Bai, Yogesh, Rudresh, Dharani Devi and Powermen team are working on this concept, Munigopalaraju, Superintending Engineer, CESC, told *Star of Mysore*.

"The purpose of having illumination on this subject is to create awareness among people to strictly follow guidelines given by Health Department to save themselves from COVID-19. Citizens or tourists must watch this illumination from a distance and not crowd near this to take selfies as it will defeat its purpose. Please maintain social distancing even while enjoying this illumination from a close angle", a senior official urged.

The work on illumination is almost complete in all important Circles, junctions and main thoroughfares in the city. This time, illumination has been done in a 50-km stretch of road as against the usual 100-km stretch.

At Government Ayurveda College Circle.

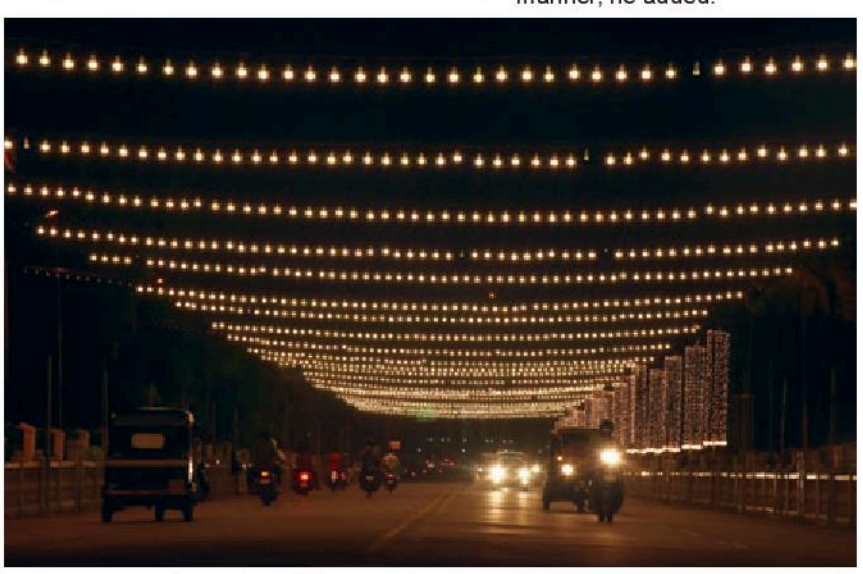
Illumination this time will be from 7 pm to 9 pm, a reduction of one hour. This has been done in the interest of visitors and tourists.

NO CONFUSION PLEASE

MLC Sandesh Nagaraj has taken objection to contradictory statements of elected representatives on illumination and said why they kept quiet in Dasara High Power Committee held in Bengaluru last month under the chairmanship of Chief Minister B.S.Yediyurappa when this issue came up.

It has been decided to do only 50 per cent of illumination in the city and reduce number of hours in view of COVID-19 situation. It was not proper for anyone to create confusion at this juncture when hardly a week is left for the inauguration of Dasara-2020. Need of the hour was to celebrate Dasara in simple and safe manner, he added.

The illuminated Chamaraja Wadiyar Statue Circle.



Serial lights adorn Albert Victor Road ahead of Dasara.

Nalwadi Memorial Music Concert by Vid. N.R. Prashanth tomorrow

Nalwadi Krishnaraja Wadiyar

Mysuru, Oct.9- Srikrishna Gana Sabha, Mysuru, has organised Nalwadi Krishnaraja Wadiyar Memorial Music Concert by Vid. N.R. Prashanth on Oct. 10 (Saturday) at 6.30 pm at Alwar Kalabhavan in Gokulam. He will be accompanied by Vid. M. Keshav on violin and Vid. Nandan on mridanga.

Profile: Prashanth's tutelage

Vid. N.R. Prashanth

began with Vid. R.K. Padmanabha, a teacher, composer and performer of great repute. He also had useful stints with greats like Vid. Titte Krishna Iyengar and Vidu. Neela Ramgopal, who honed his musical skills. The doyen of Karnatak Music Prof. R. Visweswaran is guiding him now.

An engineering graduate, Prashanth is known for his innovative approach, discrete and measured use of gamakas and control over laya. His Eka Raga concerts are also very popular, which he performs with aplomb.

Widely performed all over India and in countries like the UK, Singapore and Malaysia, Prashanth has had interesting collaborative work done alongside Dr. Raja Ramanna, the famous Scientist, according to a press release from B.S. Sridhar Raj Urs, Sabha President.

Online Saxophone Concert by Vid. Harish Pandav and team

Mysuru, Oct. 9- A saxophone concert by Vid. Harish Pandav will be premièred under the weekly online concert series of Sri Thyagaraja Sangeetha Sabha, Mysuru on its YouTube channel at 5 pm tomorrow (Oct. 10)

Vid. Harish Pandav is an upcoming young Karnatak classical musician from Mysuru, who has performed on various reputed sabhas in Bengaluru, Hyderabad, Kakinada and in almost all sabhas of Mysuru. He has done his Master's in Music from Dr. Gangubai Hanagal Music University, Mysuru, with a gold medal and also holds a Master's in Economics from UoM.

Initially he was groomed by his uncles Vid. N. Jayaram and Vid. H. A. Nagaraj Pandav. Currently he is training under Vidushi Gayathri Sathyanarayana. He is a trained vocalist as well.

Harish is a B-High grade saxophone artiste of AIR and has been honoured with Sushameendra Kala Puraskar, District Rajyotsava award, Dasara Exhibition award etc.

City's young talents, Vid. Keshav Mohankumar, Vid. Pavan Madhav Masoor and Vid. Shamith S. Gowda will support him on violin, mridanga and ghata respectively, in this concert.

Music-lovers are requested to watch the concert by visiting Sabha's YouTube channel at Sri Thyagaraja Sangeetha Sabha Charitable Trust, according to a press release from Vid. H. K. Narasimhamurthy, Hon. Secretary.

Flute recital by Vid. Chandan Kumar and Party on Sunday

Mysuru, Oct. 9-Prakash Performing Arts Trust, Mysuru, has organised a flute recital by Vidwan Mysore A. Chandan Kumar and Team featuring "Compositions of Post Trinity" on its digital FaceBook Page Platform on Oct. 11 (Sunday) at 6 pm.

Vid. Chandan Kumar will be accompanied by Vid. H. N. Bhaskar on violin and Vid. G.S. Ramanujan on mridanga.

Profile: Mysore A. Chandan Kumar hails from a family of great musical heritage. He is the great grandson of the legendary violinist, *Sangeetha Kalanidhi, Sangeetha Ratna* late Mysore T. Chowdaiah (1895-1967), who was a celebrated Karnatak icon of South India. He learnt the art of flute playing from his revered Guru M. Gopalakrishna and also seeking guidance under *Padma Bhushan* P.S. Narayana Swamy, Chennai.

Vidwan Chandan Kumar

A top-ranking artiste of All India Radio and Doordarshan, Chandan has performed at the prestigious Akashavani Sangeeth Sammelan before an invited audience at Vijayanagaram, Andhra Pradesh, during 2008. He has also performed in the South Zone hook up programme on the Doordarshan.

Music-lovers are requested to watch the concert online by visiting the Facebook page, Prakash Performing Arts Trust (PPAT), according to a press release from Vidwan A. P. Krishna Prasad, Founder and Hon. President of the Trust.

Talk by Children's Literary Club Director

Mysuru, Oct. 9- In connection with the 30th Anniversary of Children's Literary Club, Dr. R. Purnima, formerly Professor of English, KSOU, and presently, Director, Children's Literary Club, will deliver a talk on "Renowned Scientists, who are also Artists" on Oct.12 at 2 pm via Google Meet. The participants are the children of the members of Mysuru District Journalists' Association (MDJA). For details call Mob: 96323-15924.

Discount sale extended for 4 more days

Mysuru, Oct. 9- To clear the stocks, the garment factories are offering huge discounts on all branded garments (ladies, gents and children) at the sale being held at Hotel Pai Vista in city from 10 am to 9 pm. The offer has now been extended by four more days from today.

Over 50,000 varieties of ladies, gents and kids branded clothes, including T-shirts, pants, low wears, bermudas, ladies tops, kurthis, pyjamas, palazo and other designer wears, are available for sale directly from the factories to customers priced between Rs. 200 and Rs. 350. No agents, wholesalers and commission agents are entertained.

As per Government's directive, wearing of masks, using sanitiser and maintaining social distance have been made mandatory for the shoppers.

All necessary precautions are in place and customers need not worry to visit the venue, say the organisers.

WORD OF THE DAY

Sinuous

Pronunciation: SIN-yuh-wus.

Meaning: Of a serpentine or wavy form : winding; marked by strong lithe movements; intricate, complex.

Origin: Although it probably makes you think more of snakes than head colds, sinuous is etymologically more like sinus than serpent. Sinuous and sinus both derive from the Latin noun sinus, which means "curve, fold, or hollow." Other sinus descendants include insinuate ("to impart or suggest in an artful or indirect way") and two terms you might remember from math class: sine and cosine. In English, sinus is the oldest of these words; it entered the language in the 1400s. Insinuate appeared next, in the early 1500s, and was followed by sinuous and sine in the latter half of the 1500s, and cosine in the 1600s. Serpent, by the way, entered English in the 13th century and comes from the Latin verb serpere, meaning "to creep."

Example: The hikers followed a sinuous path that curved around a lake and in between two small hills.

THE ODD WORD

Sagathy

Light blend of silk and cotton or wool.

PHRASE OF THE DAY

Son of a gun

Meaning: A person. Sometimes this phrase is used to describe someone who is behaving badly.

Origin: The origin of this phrase is not clear. There are theories that talk about where it may have come from. For example, it's thought that the origins may be from British Navy ships, where pregnant women onboard the ship apparently had to give birth near the broadside guns. In his book from 1867, The Sailor's Word-Book, William Henry Smyth wrote concerning this phrase: "An epithet conveying contempt in a slight degree, and originally applied to boys born afloat, when women were permitted to accompany their husbands at sea; one admiral declared he literally was thus cradled, under the breast of a gun-carriage."

QUOTE BOX

We do not need guns and bombs to bring peace, we need love and compassion.— **Mother Teresa**

RIDDLE THIS

Iga Swiatek beats Nadia Podoroska

Smashes 81-year first to secure spot in first Slam final

Paris, Oct. 9- Iga Swiatek arrived at the French Open puzzling over whether her future was on a Tennis Court or inside a University lecture hall. Now, having stormed into the final at Roland Garros, school may be out permanently for the 19-year-old, the first Polish woman to make the championship match in Paris since 1939.

"Right now it's going to be hard to make a decision to go back to studying because I feel like really I can achieve big things. I just want to focus on that," said Swiatek, who reached her maiden final at the Slams by easing past Argentine qualifier Nadia Podoroska 6-2, 6-1 on Thursday.

But I'm only 19, so a lot can change during a few years. We are going to see. Maybe I'm going to be, like, hungry for knowledge. Really I'm not going to make decision right now."

In 2019, Swiatek made the last 16 in Paris where she lost in just 45 minutes to 2018 Simona Halep, claiming just one game. After that bruising experience, she headed back to high school to complete "six or seven tests" before hopping back on a plane to play at Wimbledon.

Poland's Iga Swiatek celebrates after winning against Argentina's Nadia Podoroska.

This year in Paris, she said she was treating the next two seasons as "gap years" having used the Coronavirus lockdown to complete her graduation exam.

"I want to have two gap years to see how my tennis is going to develop when I don't have other things in my life. It depends, if I am going to be top 10 and I am going to be fighting for Grand Slams, then for sure I am not going to have time for University. I am going to work more on my image and my career. But if I am still top 100 for a few more years, then probably, I am going to go to University."

Sunrisers Hyderabad beat Punjab

Climb to No. 3 in points table

David Warner and Jonny Bairstow put up a 160-run stand to set up Sunrisers Hyderabad's win against Kings XI Punjab.

Dubai, Oct. 9- Sunrisers Hyderabad (SRH) registered their third win of Indian Premier League (IPL) 2020 after they beat Kings XI Punjab (KXIP) by 69 runs at the Dubai International Cricket Stadium on Thursday.

After electing to bat, SRH were off the blocks quickly as David Warner hit two fours in first over, which also included five byes, bowled by Sheldon Cottrell.

While Mujeeb-ur-Rahman, playing his first game of the season, and Mohammad Shami conceded 13 runs in the next overs, Jonny Bairstow hit three fours off Cottrell's second over.

Bairstow then got a life after K.L. Rahul, despite a dive, could not hold onto a difficult chance off Shami's bowling. Warner then hit two fours as the pair completed the fifty-run stand, their second of the season.

After a couple of quiet overs, Bairstow targeted Ravi Bishnoi in the eighth over, hitting the young leg-spinner for two sixes and a four. Warner joined the six-hitting party in the next over.

Bairstow then brought up his fifty in 10th over before he and Warner completed hundred-run stand for opening wicket.

The merry ways continued as Bairstow hit two sixes and a four off in the 11th over bowled by Glenn Maxwell. Couple of overs later, Warner brought up his 50th IPL fifty and his ninth successive fifty-plus score against KXIP.

KXIP needed something special to stop the Warner-Bairstow juggernaut and young Bishnoi did the trick for KXIP, dismissing both the openers in 16th over.

First, he had Warner caught in the deep and then trapped Bairstow before the wickets for 97, after KXIP opted for a review.

In the next over, Arshdeep Singh had Manish Pandey caught and bowled as KXIP scalped three wickets, giving away just a run. Bishnoi picked up his third wicket after Abdul Samad holed out in the deep in the 18th over as KXIP continued their fightback into the game.

Arshdeep picked his second wicket of the night and SRH lost their fifth wicket in the space of 15 runs as Nicholas Pooran took a neat catch in the deep to get Priyam Garg out.

Abhishek Sharma and Kane Williamson, though added 24 off 10 balls as SRH ended their quota of 20 overs, scoring 201/6.

In the chase, KXIP needed a big opening stand, but they lost Mayank Agarwal early via a run-out, courtesy Warner. First, he made a diving save running towards his left at mid-off, and then threw it accurately to the bowler to catch Mayank short of his crease.

While Prabhsimran Singh hit a couple of crisp fours, he got out for 11 after Garg hold on to a sharp chance to give SRH their second wicket. Pooran came out all guns blazing, hitting 3 sixes and a four, to march to 25 balls. But Abhishek, after conceding two sixes in the over, picked big wicket of Rahul after he was caught in the deep by Williamson.

Pooran, though continued tonking the balls in the stands for fun as he went after Samad in the 9th over, hitting as many as four sixes and a four, and in that course brought up the fastest fifty in the IPL 2020 in 17 balls. The 28-run over meant that KXIP moved past 90.

KXIP moved past hundred in the 11th over, but lost their fourth wicket in the same over after Garg's direct hit caught Maxwell short of his ground. SRH continued to chip away as Rashid got amongst wickets, getting Mandeep Singh out with a googly in the 13th over. While Pooran had kept KXIP's hopes alive, he got out after slamming 37-ball 77 in Rashid Khan's double-wicket maiden.SRH, eventually, bowled out KXIP for 132 to seal a 69-run win and add two points to their account.

BRIEF SCORES

Sunrisers Hyderabad 201/6 (Jonny Bairstow 97, David Warner 52; Ravi Bishnoi 3/29) beat **Kings XI Punjab 132 all out** (Nicholas Pooran, Prabhsimran Singh 11; Rashid Khan 3/12) by 69 runs.
